

We are very excited about our organization changes effective August 1, 2015. The first major change is that Joseph Sandusky will become a consultant to EMA with responsibilities for all contract reviews and negotiations, reviews of corporate NDA's and full administration of the company web page and e-mail. In addition Joe will continue to have account responsibilities for specific target accounts in the Orlando area as well as geographic responsibilities for the Northeast counties of Florida. Joe has been the president of EMA since 1998 and has been with the company for nearly 30 years.

Also effective, Dick Butler will assume the responsibilities of President of EMA. Dick has been with the company for 28 years and is now the major stockholder. Dick has previously been Vice President for the past 12 years.

And the final change in our organization will be the return of Mick Lehman as the Regional Sales Manager for the state of Florida and will have total sales responsibility for all areas and accounts not handled by Joe. Mick had been with our company for 8 very successful years and we are extremely happy to have Mick back with EMA.

EMA has been in business since September of 1974 and will celebrate our 41st year in business next month. EMA provides World Class Representation focusing on system level products and electronic components.

We provide a valuable resource for our customers, and also for our principals, producing increased sales with an emphasis on market growth and product development.
